

**SEATTLE POLICE DEPARTMENT**  
**EVENT DEBRIEF FORM**

Event: Open Carry Date: 5-2-18 Time: 0900

1. Were the unit supervisors and commanders involved in the planning process?  yes  no
2. Was event staffing adequate for the event, based on available intelligence?  yes  no
3. Suggestions regarding staffing for future similar events:

4. Did the event briefing provide all officers the following information?

- Overall event history and the Department's philosophy on this event  yes  no
- Guidelines for arrests to specifically include pedestrian interference  yes  no
- Chemical agent (OC) deployment rules of engagement  yes  no
- Basic contingency planning  yes  no
- Chain of command  yes  no

5. Was there adequate supervision and command for this event?  yes  no

## 6. Issues with communications that need to be addressed:

7. Did the officers have the equipment needed for this event?  yes  no

OFFICERS ABORD TO HAVE RIFLES AVAILABLE AS  
MOST PROBABLY WEAR ARMED.

8. What did we do that worked well, and were there any new tactics used that were successful?

9. What did we do that was not effective, and what can we do to improve?

RE-THINK TRADITIONAL CROWD MANAGEMENT TACTICS  
WITH A PRO / ANTI GUN RIGHTS EVENT WHERE BOTH  
SIDES ARE BETTER ARMED THAN OFFICERS, IT IS A RECIPE  
FOR BAD THINGS HAPPENING

Supervisor: J. D. Yount Unit #: B1120

Please complete the below table.
